

# **Auntie's Playhouse**

## **Childcare Center, LLC**

### **Enrichment Programs**

#### **Little Picassos (Art)**

Little Picassos art class introduces students to a series of different materials and techniques in the world of art. Each week we will design a new and exciting project.

- Recommended age range: 5+ – course length: 6 weeks

#### **Munchkins and Master Pieces (Art)**

Toddlers and preschoolers will be introduced to different art projects each week, including finger painting, coloring, and much more! Each art project will help improve sensory and motor skills for the kids by touching different materials and putting the projects together.

- Recommended age range: 2–5 year olds – course length: 4 weeks

#### **Just Craftin' Around (Art)**

All ages are welcome to come in and join us to create a craft, we will create a new and exciting craft each time.

- Recommended age range: All ages – course length: 1 day

#### **Peeler Beads (Art)**

Each week kids are able to work with peeler beads to create something to take home.

- Recommended age range: 5+ – course length: 1 day

#### **Creation Station (art)**

All ages are welcome to come into our creation station where we have various different art materials out and kids are free to create anything they want.

- Recommended age range: All ages – course length: 1 day

#### **Animal Kingdom (Science)**

Dive in and learn about the animal kingdom in this 6 week course as we learn about different animals and sea animals while doing fun and creative science projects.

- Recommended age range: 5+ – course length: 6 weeks

#### **Great Adventure Labs (Science)**

Each child will be able to partake in various science projects for explosions to edible science projects, we will be exploring the world of science with a different project each class.

- Recommended age range: 3+ – course length: 1 day

### **ADD em' UP (Math)**

Each Class we have a new and exciting way to help children gain math skills, we have different math games and activities for all ages.

- Recommended age range: All ages – course length: 1 Day

### **ADD em' UP (Math)**

Every Class we have different activities and games to help kids with their writing skills. We will create fun stories, poems, and play many different games.

- Recommended age range: 5+ – course length: 1 Day

### **Yogi Beans (Yoga)**

This is a fun and exciting way to get your kids moving. Kids will move, breathe, and play through yoga.

- Recommended age range: 2+ – course length: 1 Day

### **Wiggles & Giggles (movement class)**

Get your kids moving and dancing as we do activities such as parachutes, hula hoops, dancing, and much more!

- Recommended age range: 2+ – course length: 4 weeks

### **Ball Bonanza**

This all age class will be a blast as we take out all of our balls and have free play with them. Kids can participate in different games, play basketball, or just have free play at our Ball Bonanza.

- Recommended age range: All ages – course length: 1 Day

### **Open Gym**

Open gym allows the kids to get moving and play with any equipment we have such as balls, hula hoops, jump ropes, and so much more.

- Recommended age range: All ages – course length: 1 Day

### **Lego Creations**

This 6-week course allows kids to pick a Lego project and work on it throughout the course to create a big and creative Lego creation. At the end of the course each child will be allowed to take their creation home with them.

- Recommended age range: 5+ – course length: 6 weeks

### **Monthly Craft (Art)**

Once a month we will have an art class where we will create a fun and exciting project for that month's theme. This month's theme is Halloween.

- Recommended age range: All ages – course length: 1 Day
